SMALLBORE PISTOL – Permission Form

The Youth Safety Handgun Act (http://www.atf.gov/pub/fire-explo_pub/i53002.pdf) as included in the Gun Control Act of 1968 puts restrictions on the use and possession of handguns by youth under 18 years of age. Youth participating in National 4-H Shooting Sports Invitational must, at all times, follow all provisions of this act. Therefore, event officials will require “the prior written consent of the juvenile’s parent or guardian who is not prohibited by Federal, State, or local law from possessing a firearm.” This written permission must be in possession of the youth – even if a parent/guardian is present. We suggest a simple statement, reduced to wallet size with the name of the youth, a parent’s name, address, as well as their signature, and that of a witness and dates. The participant can laminate this card and keep it with the shooting kit or on their person. Failure to have this document will require us to disqualify the shooter to avoid violation of federal law.

I/we _____, **parent/guardians** of _____, **(shooter’s name)**, grant permission to participate in the Smallbore Pistol Project and Events sponsored by County, State, and National 4-H organizations as per The Youth Safety Handgun Act.
